### NOTES

- Add enough water/broth/sauce so that most of the pasta is under the liquids

- Deglaze the pot after adding the vegetables to remove any browning in the pot from sautéing the onions. This will help the Instant Pot come to pressure and also prevent the biryani from For You can make this recipe Vegan by using coconut oil instead of ghee and extra firm tofu instead of paneer
- I have modified the cooking time for this recipe to 5 minutes LO pressure cook as sometimes store-bought paneer can get chewy when cooked under high pressure. If your Instant Pot does not HI/LO pressure cook options, you can cook for 6 minutes under high pressure and then stir in the paneer in the end.
